### Interview Summary

Examiner Tiv is thanked for the interview, which was conducted with Applicant's representative, Mr. Hunter, on April 26, 2005. During the interview, claims 1, 16, 24 and 32, and U.S. Pat. No. 6,026,433 (D'Arlach et al.) were discussed. Various proposed amendments affecting claims 1, 4, 6, 9, 10, 16, 19, 21, 24, 32, 35, 37 and 40 were also discussed. Agreement was reached that D'Arlach et al. does not teach client-side modification of an electronic document, as the document modification in D'Arlach et al. is performed by the server (see col. 5, lines 29-30). In addition, agreement was reached that the proposed amendments, as discussed in the interview, to clarify the claimed subject matter would overcome the current rejections under 35 U.S.C. 112 and 35 U.S.C. 102, and thus may place all the claims in condition for allowance, subject to further consideration and search.

These rejections are respectfully traversed, and reconsideration and allowance are requested in view of the remarks and amendments herein.

Claims 1, 4, 6, 9, 10, 16, 19, 21, 24, 32, 35, 37 and 40 have been amended, without limiting their originally intended scope, to clarify the claimed subject matter. The art of record fails to teach or suggest the subject matter of any of claims 1-40. Accordingly, all of the pending claims 1-40 are allowable. Moreover, the foregoing comments made with respect to the positions taken by the Examiner are not to be construed as acquiescence with other positions of the Examiner that have not been explicitly contested. Accordingly, applicant's arguments for
